These classes are being professionally taught. A \$25 registration fee is being charged, BUT is fully refundable for those who complete the entire six week course.

There are no books to purchase. You must register prior to class. Class size is limited and we will have some folks who started in the Fall, continue on this Spring. However you did not have to attend the Spring session to enroll now. This is a beginning class & will review and add new material. Good for those who did attend the Fall Beginning (I) class and good for new-comers.

Come and join the fun!
