**Joe'l felt the call of God to preach at a very young age. Being raised in the church, he saw God do amazing things as a child. After he went down a wrong path for a few years, God touched him in a powerful way which caused him to want to help others. He preached his first sermon when he was 17 years old. As he began to minister in his school and youth group, healings and miracles began to take place and thus he began his ministry. Joe'l has traveled throughout the United States, Honduras, Guatemala, Costa Rica and Haiti, sharing the love of God to many. He uses a unique and down to earth teaching style that ministers to people from all walks of life. Come and receive all God has for you! Were praying you do!**
